I've been so blessed to have such a wonderful life! My singing, dancing and acting (along with pageantry, of course) opened up a world of possibilities for me! Actually, it's *because* of pageants that I even realized my full performance potential. After I became involved in the Miss Virginia America preliminaries, I was encouraged by many to sing. (My first talent was a comedy routine in which I imitated singers - because "I couldn't sing!") From there, my singing opened the door for me to become a part of the Miss Virginia U.S.O. Troupe. After that, I toured with Richmond Theatre Company; sang on the dinner riverboat the Annabel Lee and so much more!

I moved from my home state of Virginia to my new home in Connecticut and became a member of the Miss Connecticut U.S.O. Troupe and subsequently, earned an honorary position in The Liberty Misses. As a Liberty Miss, I was blessed to tour six

times to over 15 countries performing for our Servicewomen and Servicemen. While at home, we performed for the Veterans and Veteran's organizations along the east coast.

In 2000, another Liberty Miss and I decided we still had a lot to give and formed The Glory Girls. We have been performing for our Veterans since then. I've also had the opportunity to be in a variety of theatrical productions here in Connecticut - including landing the lead of Adelaide in "Guys and Dolls."

It was also in 2000 that I met my wonderful husband, David and we were married in 2003. We had our first child, Delilah, in 2005. I still enjoy pageants to this day and thank my lucky stars for the doors that they opened! I am constantly updating, so feel free to keep checking back. (You know, it takes a loooong time to scan all those photos in!)

(P.S.: Everyone says that I'll probably be the oldest pageant queen/U.S.O. performer in the world! I think I'm okay with that!)
